- 88 Christine Veronica

While it may sound a little corny, Playboy editors really do consider the naked female form a beautiful work of art that should be admired and revered. And while it is true nude photos and paintings are featured in galleries and museums all over the world, the gorgeous girls we showcase have incredible sex appeal you simply won't find anywhere else. And the best part is—you don't have to battle groups of tourists to savor every inch of the 20 bare naked ladies on display inside this spectacular issue!

✂ Erin Fox (below) was a standout in the recent *Vixens* issue, which wasn't easy since so many of the girls in the edition were exceptional. Kellie Smith was just as appealing and Alyssa Marie also put the bomb in blonde bombshell. ...B.L.

✂ I thought the last issue of *Lingerie* was one of the best of the year, so the bar was set pretty high. But I was definitely NOT disappointed with the newest *Lingerie* issue and the 17 sexy models featured inside. Thanks! ...taxmanmike

✂ Kimberly Phillips was absolutely gorgeous in her wet and wild pics featured in *Sexy Summer Girls* — she steamed up the issue with her sexiness and sizzling-hot red hair. Btw, I'd love to see more Playmates in SEs like we used to in the late 90s and early 2000 issues. Thanks! ...landok
